Dear Friends:

On behalf of the City of Chicago, I am honored to welcome all those gathered for the Legion of Young Polish Women's 82nd Annual White and Red Ball.

The Legion of Young Polish Women was founded in 1939 to provide relief to war-torn Europe. Today, the Legion ensures that Polish culture, heritage, and traditions are not lost and remain a vital part of our diverse country. The Legion also continues their tradition of philanthropy by donating to many organizations including the Ronald McDonald House, the Salvation Army, the Special Olympics, and more. For 82 years, the Legion of Young Polish Women has helped to uplift and empower Chicago's vibrant Polish community.

This year's White and Red Ball presents this year's debutantes, who have worked to raise funds that will benefit the Legion's causes and help to support the Polish Scouting Organization, Polish language schools and dance groups, and scholarships. Every year, the debutante that has raised the most money is crowned Queen of the Ball at midnight. I am proud to recognize and congratulate tonight's debutantes and I commend the Legion of Young Polish Women for their ongoing advocacy and philanthropy throughout Chicago.

I hope your event is memorable and enjoyable. Best wishes for continued success.

Sincerely,

The Legion of Young Polish Women

Dear Friends,

It gives me great pleasure to extend my congratulations to The Legion of Young Polish Women on this evening's White and Red Ball.

The White and Red Ball, first held in 1940, is a wonderful celebration of the Legion's extensive philanthropic endeavors and the assistance it provides to immigrants from Poland as they strive to become citizens and active participants in their new communities. The funds raised at this event have supported organizations ranging from the American Cancer Society and the Leukemia Society of America to institutions whose mission is to ensure the vibrancy of Polish heritage and traditions.

Legion of Young Polish Women

Dear Madam President,

I would like to take this opportunity to thank you for your kind invitation to the 82nd White and Red Ball - Bal Amarantowy. This is not only one of the longest running charity fundraisers in the Polish American community in Chicago, but an excellent example of how to preserve the culture and traditions of our Nation.

Prestigious White and Red Ball is the first time Debutantes will join the world of grown-ups, learning about the value of respect for the authority and vital rules of our society. Long tradition and fond memories of those once partaking in the yearly event attest to the quality of work organizers put into ball preparations.

The dedication, commitment and service of all women of the Legion contribute to shaping an educated avant-garde among the Polish diaspora. Strong leaders need to continue tradition of excellence, that is a lesson the Legion of Young Polish Women has always taught their protégés.

I congratulate all members of the Legion of Young Polish Women, Debutantes, their families and those akin to Legion mission and wish them the best of luck in all future endeavors.

Sincerely,

Małgorzata Bąk-Guzik

*Praised be Jesus Christ, Now and Forever
Niech będzie pochwalony Jezus Chrystus!*

Dear Committee of *Legion of Young Polish Women*, Members, Honored Guests, Sponsors, Parents and the Debutantes of the 82nd Annual White and Red Ball,

Czuję się zaszczycony zaproszeniem do uczestnictwa w dobroczynnej, prestiżowej gali - Dorocznym Balu Amarantowym *Legionu Młodych Polek w Ameryce*. Dziś powitamy tegoroczne Debiutantki – reprezentujące młodą generację spośród inteligencji kobiet Polonii – oraz dzielić będziemy się naszymi darami z osobami potrzebującymi.

Papież Franciszek wzywa każdego z nas do modlitwy i działania. Uczynki miłosierdzia co do duszy i ciała, przynaglają nas do miłości bliźniego w naszych myślach i uczynkach. Pokładam wielką nadzieję w tegorocznych Debiutantkach *Legionu Młodych Polek w Ameryce*, że odpowiedzą na to wezwanie. Wyrazy wdzięczności i dumy kieruję do członków Legionu oraz rodzin, wychowujących młode pokolenie kobiet Polonii do prezentowania w Chicago najlepszych wartości takich jak dobroczynność, solidarność, współczucie, dobroć, odwaga i duma z przynależności do etnicznej grupy. Razem, dążmy do wyrażania wymienionych wartości w naszych codziennych działaniach.

Zapraszam wszystkich z zaproszonych uczestników i gości 82. Corocznego Balu Amarantowego do kontynuowania naszego głębokiego przywiązania do polskiego dziedzictwa, naszej wiary, kultury i patriotyzmu w budowaniu Rodziny Polonijnej.

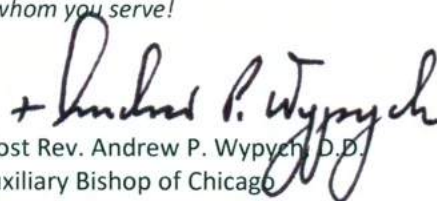

Niech Bóg błogosławi każdego i każdą z Was, dobre dzieła, których jesteście zacznem i tych, którym służycie! Szczęść Boże!

What a joy to celebrate the 82nd Annual White and Red Ball of *The Legion of Young Polish Women*. Tonight, we welcome the Debutantes - the young generation of intelligent Polish women - and celebrate the joy of sharing our gifts with those in need.

We are each called by Pope Francis to prayer and to action. The spiritual and corporal works of mercy impel us to love our neighbor in our thoughts and in our deeds. I place great hope in the Debutantes of *The Legion of Young Polish Women* to answer that call. I am thankful and proud that the Legion's members and families are raising young Polish women to present to Polonia of Chicago the best values of charity, solidarity, compassion, generosity, courage and ethnic pride. Together, let us express these attributes in our actions every day.

I invite each of the attendees and guests of the 82nd Annual White and Red Ball to continue our deep loyalty to our Polish heritage, our faith, culture and patriotism as we continue to build the family of Polonia.

May God bless each of you, the good works that you do and those whom you serve!

IN APPRECIATION

Last year, for the first time in Legion history, the White and Red Ball was cancelled due to the global pandemic. We are pleased to welcome you to the 82nd White and Red Ball and the 76th anniversary of our annual presentation of Debutantes. Your presence tonight encourages us to continue our long-standing philanthropic mission, which supports cultural, charitable, and educational causes locally, nationally, and internationally.

Congratulations to the 2022 Debutantes! Your hard work and dedication to the Legion is commendable and without it, we would not be able to continue to thrive as an organization that exists for the benefit of all of Polonia. May the wonderful friendships you formed and the cherished memories of this evening last throughout your lifetime!

We would like to thank the parents who present their daughters this evening, for donating their financial support, time, effort, and Sunday mornings to the Legion of Young Polish Women. We are grateful to you for encouraging your daughters to embrace their Polish heritage and be a part of this tradition and magnificent Ball.

An event of this magnitude requires the work of many dedicated and talented volunteer members of the organization. A very special thank you to each and everyone who dedicated their time and provided an extraordinary amount of expertise to make this Ball a success. It cannot be done without you, and you are appreciated more than you'll ever know.

We especially thank our sponsors who generously contribute to different facets of the Ball to ensure that we are able to maintain the elegance of this beautiful custom. The Legion of Polish Women is very grateful for the media coverage we receive from various radio, TV stations and newspapers. We value your broadcasts to the public about the White and Red Ball and our philanthropic causes.

We wish you all an enjoyable evening. Thank you for being here with us to celebrate this exciting milestone in our organization's history. We hope to see you again next year on March 4, 2023 for our 83rd White and Red Ball.

Pauline Kulka, Ball Chair
Cherilyn Smoron Denisiuk, Ball Co-Chair

A ROSE FOR CHARITY

Following the presentation ceremony, the Debutantes will circulate the ballroom to offer roses to our guests in return for donations.

Tonight's Queen of the Ball is determined by the combined proceeds each Debutante generates from the donations she received from listings in the program book as well as the roses she is offering this evening.

POLONEZ

The melody of this *Polonez* is “A Farewell to the Homeland” (“Pożegnanie Ojczyzny”) by Michał Kleofas Ogiński (1765-1833), a Polish nobleman, senator, diplomat, and composer. Ogiński composed the haunting melody of this *Polonez* when he left Poland for Italy after the unsuccessful Kosciuszko Uprising of 1794.

The *Polonez* traditionally opens formal state or social events in Polish society. The *Polonez* originated in Wielkopolska and in its earliest form it was known as *Pieszty, Wolny or Chodzony*. When the nobility danced the *Polonez* at the royal court, they arranged themselves according to rank. The leader of the dance, or “Wodzirej”, directed the procession of couples through the rooms of the castle, encouraging all to join. As this dance of the Polish nobility became popular throughout Europe, the French court named the dance for its place of origin. Hence, the *Danse Polonaise* became the official opening of many court balls in royal and noble houses.

Tonight’s *Polonez* is danced by the Ball Chair, the President and the Ball Committee members representing an integration of multiple generations of women. These ladies, along with their partners, are proud to continue this elegant tradition of the past, and welcome you to the White and Red Ball.

BIAŁY MAZUR

The *Mazur* is a fiery, emotional dance originating in the Mazowsze region of central Poland. The music of the *Mazur* has inspired many composers to write variations known as mazurkas. One of these compositions, “Mazurek Dąbrowskiego” became the Polish national anthem.

The *Mazur* expresses all the verve and spirit embodied in its lively music. Various choreographed dance figures are traditionally incorporated into the dance. The “Krakowski” presents trios composed of two women and a man, who urge a pair of single men to perform greater dancing feats in order to impress the audience. During the “Odbijany”, a young woman is besieged by men, who wish to dance with her. She dances with one and then another and then coyly returns to her original place, leaving behind many frustrated partners who caught her attention only for a moment.

Like the *Polonez*, the *Mazur* was very popular at courts and manor houses of the nobility and the gentry. As it spread beyond the boundaries of Poland, it was adopted by many as a popular social dance. In the United States, it was popular as the *Varsovienne* in the late 1800s.

The Biały Mazur is traditionally danced as the white streaks of dawn begin to appear in the sky. At the White and Red Ball, the Mazur is performed by post-debutantes and their partners.

OUR ACHIEVEMENTS AND ENDEAVORS

On September 2, 2022, the Legion of Young Polish Women, Legion Młodych Polek, will celebrate eighty-three years of uninterrupted philanthropy. This outstanding achievement would not have been possible without the insight of Helen Lenard Piekło and a group of her friends. Founded on September 2, 1939, their initial purpose was to help the people of Poland in their time of need. These visionary women and those who followed their volunteer path have solicited and donated over \$2 million to many worthy causes.

During World War II, the Legion was able to send food and clothing to Polish prisoners of war and was able to deliver medical equipment, hospital beds, and ambulances to the Polish Army Hospital in Great Britain. The end of the War and the occupation of Poland by an oppressive communist regime created an even greater need. Assistance was given to the Polish Veterans in Italy, the Polish Mission in Argentina, the Polish Library in Paris, and the Sikorski Institute in London. Within Poland, the Legion continued the tradition of assistance by sending funds to such institutions as the Laski Institute for the Blind, the Catholic University of Lublin, and various senior-citizen and children's homes. The Legion supported Solidarność, the Solidarity Movement, by providing financial aid for the purchase of food, clothing, and medicine. The Legion's "Medical Supplies to Poland" Project provided over \$88,000 in supplies to smaller Polish clinics.

The Legion continues to ensure that Polish culture, heritage, and traditions remain an integral part of its ethnically diverse country. It financially assisted in the establishment of the Chair of Polish Language and Literature at the University of Chicago and supported the Loyola University Chicago Polish Studies Program. It continues its support of Gift From The Heart Foundation, the Lira Ensemble, the Polish Arts Club of Chicago, and the Paderewski Symphony Orchestra. The Legion has supported The Polish Museum of America by providing financial assistance in the preservation of the maps of Poland, the Kosciuszko Letters of the American Revolution, and the Ignacy Paderewski Room, just to name a few. It has financially supported the Polish Resistance (AK) Foundation and the production of the documentaries of Polish World War II heroine, Irena Sendler, "In the Name of Their Mothers" and "The Officer's Wife" about the Katyń Forest Massacre. The Legion is proud to have been a benefactor of the "Peace Through Music - In the Spirit of John Paul II" Concert, performed by the Chicago Symphony Orchestra and Chorus.

For many years, the Legion has supported the young people or the Polish American community through substantial contributions to Harcerstwo, the Polish Youth Association, Polish language schools, Polish folk dance troupes, and the scholarship funds of the Knights of Dabrowski's "Crusade for Education" and the Council of Educators in Polonia. The needs of new immigrants from Poland are addressed through financial assistance to the Polish American Association.

The Legion's concerns reach beyond its ethnic scope, as evidenced by many gifts of in-kind donations to various food pantries, women's shelters, hospitals, veterans, animal shelters, and children's charities.

The first White and Red Ball, Bal Amarantowy, was held in November 1939. A historic dimension was added in 1945 by incorporating the Presentation of Debutantes - the first "en masse" presentation ever held in the United States. Tonight we are celebrating our 76th Debutante presentation.

Tonight, our beautiful Debutantes join 582 past Debutantes in this lovely and elegant tradition. The White and Red Ball would not be possible without the continued assistance from Legion members and the generous help of its Debutantes, their families, friends, and the business community.

The Legion of Young Polish Women is forever grateful to all those who made eighty-three years of uninterrupted philanthropy possible. *Bóg Zapłać.*

Dear Legion Friends,

Exactly thirteen days after our amazing 2020 White and Red Ball, the City of Chicago was placed into lockdown, with citizens ordered to “shelter in place”. The world was thrown into panic as the global COVID-19 pandemic hit hard. Despite an uncertain future, the Legion of Young Polish Women immediately sprung into action and wondered how they could support those in need.

Over the past 83 years, the Legion has been able to overcome many challenges, so channeling our founders’ spirit, we were determined to carry on and grow stronger with each obstacle that we overcame. The pandemic gave us an opportunity to adapt, get creative, and serve the community in new ways.

While this situation caused many organizations and businesses to shut down, the Legion was able to flourish, with a renewed sense of its mission. Post debutantes recognized the lack of face masks available and went to work making and distributing them. Members reached out to the community and with the support of various businesses, secured in-kind donations. Our distributions reached so many organizations, churches, schools, and charities, that we formed a Donations Committee to handle the volume. Through this effort, we helped over 40,000 individuals in just two years! Such an accomplishment, but Legion ladies are unwavering in their pursuit of success.

As 2020 progressed, we hoped the 2021 Ball would proceed as planned and continued to hold debutante teas. Unfortunately, the pandemic worsened, and we made the extremely difficult decision to postpone the Ball. **For the first time in Legion’s 83-year history, there would be no White and Red Ball!** Saddened, and without our main fundraiser, we relied on the in-kind donations.

All of this effort and extraordinary determination in the face of hardship has given the Legion of Young Polish Women greater recognition in the Polish community. This year, the Polish American Congress honored us with their Philanthropy Award. **THANK YOU LEGION WOMEN!**

Tonight, I am so glad we are able to FINALLY celebrate our 82nd White and Red Ball!

With gratitude,

Kathy M. Evans

Proud of

We are proud of our charitable endeavors and the positive impact we have had on the Polish Community since 1939.

We love being able to make a difference!

Free Mask Giveaways

When the pandemic first started, the Legion jumped right in to help! We offered free masks to the community when they were tough to come by. Past and present Debutantes all came out to help!

Midwest Veteran's Closet

Midwest Veterans Closet is a super spreader of food, goods, and dignity for our military heroes. Many are experiencing or are at risk of homelessness. They also provide for active-duty service members, many of who are newly stationed at Great Lakes. Midwest Veterans Closet serves over 550 families each month. All items are free and Legion was proud to donate clothing, food, household items, and so much more.

our Projects

St. Constance Church Food Pantry

St. Constance Parish runs both a school and a food pantry. Throughout the year, we have donated items to both worthy causes. "I wanted to thank the Legion [of Young Polish Women] on behalf of St. Constance School for the donation of supplies. Your generosity made our day! It was very kind of you and the school greatly appreciates your thoughtfulness!" – Ms. Jennifer Sendra, St. Constance School

The Kid's Pantry – Mt. Prospect

The Kid's Pantry is a unique organization that provides free gently used children's items to families in the Northwest Suburbs without requiring proof of hardship. Their goal is to ease the financial burden on families during these tough economic times. They work with local groups and families who donate the items and disperse them on a weekly and semi-annual basis. Legion donated children's snacks, baby bottles, clothing, toys, socks, and many more items.

TREE TRIMMING AT BROOKFIELD ZOO

November 21, 2020 and November 12, 2021
Brookfield Zoo, Brookfield, Illinois

Legion Debutantes and Members put their decorating skills to work at the 2020 and 2021 Community Tree Trim at Brookfield Zoo. Using red roses from practice bouquets, the ladies made ornaments and decorated a tree in honor of the canceled 2021 White & Red Ball. The beautiful red rose-studded tree was a beautiful commemoration of the historic tradition.

ŚWIĘTOJANKI 2021

Anxious to finally host an organizational event after being quarantined during the COVID-19 Pandemic, the Legion of Young Polish Women held a Świętojanki celebration that was open to its membership as well as the Public. Due to inclement weather at the last minute, the celebration was moved indoors at the PNA. Multiple generations of women came together and had fun making bright, colorful and unique wianki. Without a river, the girls improvised with a large puddle to float their wreaths! Over \$3,000 was raised for our Scholarship Fund!

Thank you to our generous Sponsors: Agnes Flowers, Hanna's Bakery & Cafe, Krystyna's Deli, Lowell International Foods, Montrose Deli, Polish National Alliance and WICI Song and Dance

Klaudia –

Jeden dzień na raz – to wystarczy. Nie oglądaj się za siebie, nie martw się przeszłością, ponieważ już jej nie ma. Nie niepokój się przyszłością, bo ta jeszcze nie nadeszła. Żyj teraźniejszością i rób to tak pięknie, by była warta wspomnień. Ty jesteś tym kogo szukasz.

A na co dzień życzę Ci niezapomnianych chwil abyś spędziła z Tymi osobami które są najbliższe twemu sercu. Czasu nie zatrzymasz ani nie cofniesz, a co najważniejsze w życiu to czas teraźniejszy, a najważniejsze osoby to te które są przy Tobie, tu i teraz! Życzę Ci cudownych, szczerych i wspaniałych ludzi na całej drodze Twojego życia. Życzę sukcesów szkoleniowo-zawodowych, decyzji mądrych i rozsądnych. Zawsze słuchaj siebie od środka, a serce Ci powie co dla Ciebie jest najlepsze... Bo tylko Ty to wiesz...

Życie jest cudem. Ty Klaudia jesteś cudem. Bądź zawsze sobą i się nie zmieniaj. Życie Ci da wszystko czego potrzebujesz. Życzę Ci miłości, wdzięczności i akceptacji każdego dnia takiego jakim jest...

Saturn Title offers an extensive array of services that not every title company would offer such as:

E-Recording documents, recording Quit Claim Deeds, Recording Mechanics Liens, Clerking services: to obtain tax redemptions or outstanding taxes, Ordering Water and Zoning Certificates, and much more.

We at Saturn Title insure title to your real estate property when you are buying, selling, or refinancing. Most buyers or sellers do not know this procedure and rely on the attorney representing them to make sure this is done correctly.

Saturn Title works with attorneys, buyers, sellers & realtors to ensure that you buy your home with confidence and help protect your property rights. Saturn Title is a strategically competitive title agency that is underwritten

by five of the leading underwriters in the title industry but small enough to know who you are as a client and not just a number. Saturn Title offers quality real estate closing services, provides you with experienced escrow officers and well-trained closing specialists in real estate procedures, title insurance, taxes, and deeds. Saturn Title employees go out of their way to ensure efficiency and accuracy in their daily operations. Their experience and knowledge are key in a smooth closing transaction for all parties involved.

"The Saturn Title team is absolutely fabulous, and its staff of professionals is ready to jump on moment's notice to help you on a file. ALTA, CD and Title work received very quickly (with no delay) upon request by the attorneys and lenders. A friendly work staff that creates a professional closing environment. Cannot get any better. Highly Recommended."

The Historic 2022 Debutantes

You made Legion of Young Polish Women history by being our only two-year Debutante group! The unwavering commitment you have shown throughout the pandemic demonstrates what remarkable young women you are. You give the Legion great hope for its future, and we are so very proud of you.

If you ever forget that you are awesome, here is your reminder:

Maeev: You couldn't wait to be a 3rd generation debutante and participated in everything. Your numerous scholastic achievements and brilliant ability to construct opinions and debate will serve you well in any career. Never stop creating, continue to work hard and we will watch you become a leader!

Kaya: Never missing a semester on the Honor Roll, you triumph in academics. So kindhearted and intelligent, it's no wonder you lead your Medical Careers Club and want to be a Biomedical Engineer. Maintain your sense of humor, thoughtfulness, strong faith and scholastic drive in everything you do!

Kayla: Being a 2nd generation debutante, you carried on the charitable tradition set before you. It only makes sense that you would pursue a career in Journalism with your creative imagination. Keep your compassion for others, radiate your inner joy and use your writing talents to better humanity!

Klaudia: Already an achiever in academics, your various interests in music and extreme outdoor sports makes you very well-rounded. With such a caring heart, it is no wonder you want to pursue a career in Cardiology. Stay sweet, driven and don't ever stop searching for your next adventure!

Maya: An award-winning dancer, it's no surprise that you want to be a leader and mentor. With a charming disposition and optimistic outlook, pursuing a profession as a Surgeon is the perfect fit. Maintain confidence, remain helpful to those around you and lead your way into a successful future!

Marianna: A genuine smiler, you bring joy to those around you with your passion for song and dance. It is no wonder you want to pursue a career in Dentistry, to make everyone else laugh along with you. Never lose that beautiful grin, keep your charitable nature and make the world a happier place!

Jennifer: Ready to embark on the next chapter in life, you are brave and like to explore various disciplines to find your own solutions. Pursuing a career in Forensic Medicine, we have no doubt you will create new standard practices. Stay open to ideas, be bold and pave your own path through life!

Rachel: A 3rd generation debutante, we know you understand commitment and excellence. A strong and chosen leader in your own right already, we know that with your drive, success in any STEM field you choose is inevitable. Keep that funny sparkle, maintain your poise and reach for the stars!
